

WHEATLAND'S WIT & WISDOM
JULY 2017

WELCOME TO WHEATLAND
UNITED METHODIST CHURCH

PASTOR MINOR'S MUSINGS
JULY 2017

For the past two months I have been preaching words that remind you of who you are in Christ and of the incredible power that lies within you. While we are walking into a new part of our lives that causes us to move a little slower, we must *not think from the place where we used to be, but embrace the world and its beauty from where we are.* All I am saying is that it is not over until God says it's over. Read this poem by Marianne Williamson and let it serve as a reminder of how awesome your life really is – RIGHT NOW.

Our Greatest Fear

It is our light not our darkness that most frightens us
Our deepest fear is not that we are inadequate.
Our deepest fear is that we are powerful beyond measure.
We ask ourselves, who am I to be brilliant, gorgeous,
talented and fabulous?

Actually, who are you not to be?
You are a child of God.
Your playing small does not serve the world.
There's nothing enlightened about shrinking so that other
people won't feel insecure around you.

We were born to make manifest the glory of
God that is within us.

It's not just in some of us; it's in everyone.
And as we let our own light shine,
we unconsciously give other people
permission to do the same.

As we are liberated from our own fear,
Our presence automatically liberates others.

—Marianne Williamson
